Subject: News

Hello Poker friends,

We have a couple of topics

## Team Poker Tournament

We had our team tournament and a total of 18 team participated. That means 54 players played for the honors. Discipline and team spirit were the factors influencing all decision. The play was very tight and tough since there was a fight for every position and corresponding points. Now we are all hoping that even more teams will join the league. The beginning will be tough, but I am prepared for the challenge. An important change... since the league play will take more time than expected we will not be able to have a full tournament afterwards. Rather we will have our Sit&Go events. The monthly tournaments will then be held on another Sunday. Also the start time will be moved to 1400 hrs, check-in starting 1300. This will give everybody enough time to have lunch at home. Congratulations to our first winners Team "Pfälzer bube" and the first MVP Ray W.

## Trip to the Casino

On Sunday 4 of our players accompanied the 2 quarterly winners and 3 fans to the Casino in Wiesbaden. In the tournament we all had a rough time since the cards we not running good for us. Never-the-less Sascha Sprengard made it to the 7<sup>th</sup> place and received the Title Bubbleboy. Better luck next time. All of us had a great time though and we are looking forward to repeating the trip soon.

## New Ranglist

On Thursday we started with the new ranglist. Again 55 players showed up to compete. I am really proud of everyone who is spreading the word an is getting new players out to compete. We must keep it up though and even intensify our efforts. The number of American players is far below what I expect. The standings will be set back to zero so everyone has a new chance to qualify for the quarter. Also we will be expanding the playing arena by the double size to have room for more players and also give us more room and also more comfort. Another interesting aspect is that the new smoking law will take effect in this quarter. We will make adjustments to help our smokers, but also expect many more non-smokers to start coming out.

We need more new members. Are you a member? It makes sense to join...

I am looking forward to seeing you on coming Thursday. Poker night at Heaven.

Furthermore GOOD DRAWS,

Ray
