Hello Poker friends,

Wow. We had 70 registrations. This has now confronted me with the necessity to make some adjustments to the organization to secure a smooth operation. From now on you must be on site an registered y 1930 hrs or at least you must have registered by telephone. Late shows will have the first seats at the sit&go tables.

The other adjustments will not be so visible, but you will notice the changes in the quality of the organization.

The team league has started. We had the expected problems getting everyone registered correctly, but were reimbursed with absolutely great poker play later. Congratulations to the Team Masseller and our Jan MVP Dieter Merz. More statisticss in the Pokerliga section of the homepage.

Of course you can still join during the current season. The Sunday prizes can be won by everyone with equal chances. And the prize payoff was well worth it. So get a team together an join the challenge.

We need more new members. Are you a member? It makes sense to join...

I am looking forward to seeing you on coming Thursday. Poker night at Heaven.

Furthermore GOOD DRAWS,

Ray
