Hello Poker friends,

We had 74 registrations.

I am relieved to report that the changes to the registrations have had the expected results. The registrations, thanks to Rainer, are now quicker and more effective. This will allow for smooth registration of even more players. We are ready.

The extra table for the first Sit&go also made this smooth transition possible. There were no waiting times for the players. Great.

Sunday we have our Deep Stack tournament. This one, with 5000 start chips, will be a great tourney to play. You can make a move, a call, or a bluff without facing an all-in or tourney out. You can experiment and have more fun. So come out and join the fun.

And don't forget... the winnings here are also attractive.

Also try to get a team together for the team league. You can still join this super event.

I am looking forward to seeing you on coming Thursday. Poker night at Heaven.

Furthermore GOOD DRAWS,

Ray
