Subject: News

Hello Poker friends,

There is news to bring to you. As we have advertised we had our heads' up tournament last Sunday. 32 highly motivated starters participated in the event.

Due to the thorough preparation and the good run tournament we were able to complete the whole event within the time set. Only few players believed this was possible.

As so often in this kind of tournament, the favorites had a hard time trying to dominate the plays. Never-the-less I am very proud that the finalists of this qualitatively high-class event came out of our Verein.

Congratulations to our 2007 Head's up Champion:

Christian Knieriemen

Additionally we played several sit&go tables. The results can be found along with the tournament results.

Coming the next month our main event will be a team poker tournament. This week a flyer will be published with the details. Look them up under "Termine". This tournament will also present the type of play that can be expected in the league starting in January. Unfortunately we have to limit the number of entries. Sign up early.

I am looking forward to seeing you on coming Thursday. Poker night at Heaven.

Furthermore GOOD DRAWS,

Ray
