Hello Poker friends,

Today a short bulletin. It seems almost normal to report that we again had an increase in participation at our Thursday tournament. But, we will not be blinded by the apparent success nor will we sit back and relax.

We have a lot yet to accomplish. Continuity is our goal. We can relax and sit back later. We should use the wave that we are on to continue progressing. A lot of things will be easier this way.

So let's continue. I am especially motivated when people come and say that they were to about our Verein from our own people and those same people motivated them to come. Keep it up. So lets keep pushing to get more people to come out and participate.

Oh. I can't forget to mention that we also had 10 Sit&Go tables.

I am looking forward to seeing you on coming Thursday. Poker night at Heaven.

Furthermore GOOD DRAWS,

Ray
