Subject: News

Hello Poker friends,

Wow what an evening. It was a challenge when 2 minutes before the start the software folds. We had to go to the alternate software and input all the data again. Never the less we managed a start before 2000 hrs. 39 participants had an interesting and special poker night.

The Sit&Go were played with 10 to 12 players the first time from the start. This was possible since the Verein has begun to acquire large poker tables for this purpose. Next week we intend to even buy another one.

In December we are hosting our Team Poker Tournament. Posters and Info under Termine or Pokerliga. Or call ray. Don't forget there is a player limit so please pre-register.

Starting in January we will have our poker league. A couple of new changes to the rules make the whole event more interesting. There will be more and higher prizes and the deposit will not be needed. It is now up to you to find co-players and get the team together. The registration forms will be loaded today under Pokerliga /Spielordnung / Anmeldeformular. Or ask Ray.

The whole future of the Verein depends on its membership and the guest players. We need more of both. So please continue to spread the word and get more people out to play along. The best advertisement for the Verein is you.

I am looking forward to seeing you on coming Thursday. Poker night at Heaven.

Furthermore GOOD DRAWS,

Ray
